

Greetings Neighbors,

As you know, traditionally the Collington Station Homeowners Association's (CSHOA) Board has brought residents together once a year in June to forge community bonds and enjoy fun and food together. Last year, they extended the community fellowship for our neighbors to a week which included civic engagement with our political leaders, youth participation and recognition, and social festivities.

This year the CSHOA Board decided to do the same. And so, plans are underway to build upon that camaraderie and bring neighbors together for the 2024 Community Week Programs, starting Monday, June 10th through Saturday, June 15th. More information is forthcoming, so stay tuned.

In the meanwhile, we will be sending a request for **2024 Graduation** information for the CSHOA students we want to **CONGRADULATE** for their 2024 educational accomplishments.

Please mark your calendars now for Community Engagement Evenings, June 10th – June 13th and Community Day Celebrations on June 15th.

And students, we need volunteers to help with facilities management. Earn school service credits being a civic volunteer! Contact Ms. Terry Nuriddin at civicspiration@gmail.com to add your name to the CSHOA volunteer list.

We look forward to sharing these CSHOA Community Events with YOU.

Sincerely,

CSHOA Community Week Planning Committee
